Foundation, Logan, KS

## Join Us for the Big Black Bag Workshop

August 25-26,  
KSU Agricultural  
Research Center  
Auditorium in  
Hays, KS

Registration Deadline:  
Wednesday, Aug. 16<sup>th</sup>

What is the Big Black Bag Workshop? BBB teaches portable challenge skills using the five big black bags that you can take anywhere. All your "tools" needed are in a black canvas bag.

In this workshop you will receive an introduction to the BBB, learn lots of group builders and the principles of portable challenge, along with great facilitation tips. You'll experience the Full Value Contract as well as the importance of name games and silly name games.

Basic portable challenge skills can be used once the group has met and become familiar with each other. Initiatives are effective in building many skills in your group, including trust, support, goal setting, problem solving, leadership, communication skills, getting acquainted better, group dynamics, physical development and team building.

What's in the Big Black Bags? To the outsider they look like they are filled with toys, but they're much more than that.

Bag #1 – especially designed to focus on getting to know each other, fun name games and cooperation.

Bag #2 – Trolley – learn how to walk and work together as a team

Bag #3 – Spider Web – learn how to work together to get through holes in a flexible wall.

Bag #4 – Human Ladder lets your group work together climbing a human-held ladder.

Bag #5 - TP Shuffle, Mohawk Walk and other challenges force your team members to trust and rely upon each other to succeed.

**Who:** This workshop is open to youth 7<sup>th</sup> grade and older and adult sponsors, KSRE staff and volunteers.

**What:** Focuses on Team Building, Problem Solving, Communication, Group Builders, Facilitation Training Tips, "Make It & Take It", and Networking that will help build your team.
