Ask yourself the following questions about livestock showing practices when considering whether an action is ethical or unethical.

Livestock Show Ethical Compass Questions

- 1. Does the practice violate FDA Law?
- 2. Is it a fraudulent misrepresentation of the animal?
- Will the action harm the animal?
- 4. Is the practice in opposition to real world agriculture?
- 5. Will it harm the tradition and/or future of livestock shows?

If any of the Livestock Show Ethical Compass questions are answered yes, the practice probably falls on the unethical side of the equation.
